

Note from the President

We at SKSA are very excited to be starting our Fall league and wish all of our teams good luck. First I'd like to thank all of our volunteers, coaches, maintenance crews and paid staff for all of the hard work and dedication to keeping our leagues running smoothly. Our ground crews work tirelessly to keep the fields in shape for game time, rain or shine.

There has been some organizational changes that I wanted to make our SKSA family aware of. I (Scott Arnold) have taken the position of President of SKSA, Dusty McDonald has been moved up to President of Baseball and Tom Parrow has moved to VP of 9-14U. As we strive to make improvements to both our team and the league. We will keep you updated as further potions on the leadership team are filled.

PROJECTS

In case you haven't noticed we have been busy upgrading several areas in our ballpark. First we have completed two capital expenditure projects, which upgraded our concessions stands to improve both functionality and appearance. These improvements include application of floor coatings, repair/ replacing countertops and improvement to our food preparation equipment. At the same time we have changed our food vendors to provide better quality products along with additions made to our products such as, Pizza's and pulled pork sandwiches.

Now we working on our next big project, which is to upgrade our seating. This project will be a multi-phase project due to the amount of bleachers that need to be replaced. To be successful we need your help and the help from our business community. The cost of these bleachers run around \$ 4300.00 a piece but will provide 20+ years of life with little to no maintenance. Therefore, we will be offering a marketing opportunity or an opportunity for you to show your support. How will this work? We will be offering a chance for your name or company name to be placed on a bleacher. These sponsorship levels include the following:

Single Level - \$ 150.00

Double Level - \$ 250.00

Triple Level - \$ 500.00

Homerun Level - \$ 900.00

Our goal is to provide our players and parents a memorable experience here at SKSA

Thank you,

Scott Arnold

President of SKSA
